NOTIFICATION OF VARIANCE APPROVAL WITH STIPULATIONS

DATE: August 16, 2019

TO: Darrel Couch
16440 S. 32nd St.
Phoenix, AZ. 85

SUBJECT: OUTDOOR FOOD OPERATION
PERMIT NO.: FD-10563
RM NO.: RM-05813

Dear Mr. Couch,

Your, outdoor variance application for an outdoor food operation has been reviewed and granted for use at the establishment located at main football concession stand. Provisions for this activity are allowed pursuant to Chapter VIII of the Maricopa County Environmental Health Code (MCEHC) under §3-502.12. The submitted application and supplemental documentation has been found to meet the minimum requirements as specified under §3-502.12 and §8-201.14, therefore has been approved with the following stipulations:

1. The facility performs the specified operations in accordance with the approved plans pursuant to §8-103.12(A).
2. The facility provides records upon request to the Maricopa County Environmental Services Department (“Department”) or its representatives pursuant to §8-103.12(B).
 - Approval is limited to the grilling of hamburgers and hot dogs, bratwurst.
 - Approval is limited to the grilling of proteins outdoors.
 - Proteins shall be transferred indoors after grilling for final prep and service.
 - No hot or cold holding outdoors.
 - Preparation, portioning, cutting and other preparation is prohibited outdoors and shall be conducted in the support kitchen only.
 - The outdoor cooking area is an extension of your kitchen outside, and the same regulations that apply indoors are applicable at the outdoor cooking area.

In addition, the following requirements described below regarding the outdoor food operation shall be in compliance:

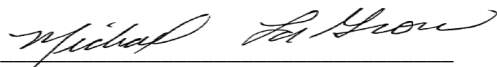

1. Each outdoor food service operation shall be required to operate in full compliance and within the parameters of all applicable provisions of the Maricopa County Environmental Health Code, the [Outdoor Food Operations Plan Review Guideline](#), and other applicable regulations governing outdoor food operations.

2. A consumer advisory shall be posted on the menu or in a visible location at the outdoor food service location for consumers to read prior to placing orders, if any raw or undercooked animal foods will be served. The consumer advisory shall contain both the disclosure and reminder statements.
3. The menu shall not be changed without prior written approval from the Department. Menu items can be removed, but no new unapproved menu items shall be added. All menu items requiring preparation shall be completed within the fixed permitted support establishment. All menus, food preparation, food assembly, food handling practices, cooking and food service methods will be evaluated and approved on a case-by-case basis.
4. Failure to follow the submitted procedures will result in a violation against your operating permit. The Department may also initiate action to withdraw the variance if any unforeseen health hazard occurs as a result of the variance. Violation(s) may result in action initiated by the Department to withdraw your variance, at which time you may request a hearing, in accordance with the Maricopa County Environmental Health Code. In the case of variance withdrawal, your operation will be required to immediately cease and desist until another variance can be obtained.
5. Approval of this variance by the Department does not indicate compliance with any other code, law or regulation that may be required - federal, state, or local. It further does not constitute endorsement or acceptance of other variances and/or operations without prior approval. The establishment shall operate in compliance with the Maricopa County Environmental Health Code governing establishments.

ADDITIONAL COMMENTS:

Approval of this variance by the Department does not indicate compliance with any other code, law or regulation that may be required - federal, state, or local. If any changes or modifications to your operating procedures occur, contact our Variance/HACCP Program Coordinator, Eric Carlson at (602) 506-6972.
